OEM AND ODM FURNITURE PRODUCTION
SOFAS, SECTIONALS AND SEATING

DESIGNS4LIFE.COM

PRODUCTION AT SCALE

Designs 4 Life places upholstered programs with a dedicated Vietnam production partner, managed end to end by our team. Engineering, sampling, quality control and container loading run under one roof, so large programs move from approved sample to shipment on a predictable schedule.

25,000 m²

PRODUCTION FLOOR

150 to 180

40HQ CONTAINERS PER MONTH

450 to 600
